

# HERE WITH ME

By: John Gustin

## VERSE 1:

I can't see the path before me  
Still I know You light the way  
Every step is held in mercy  
Every night will turn to day

## PRE-CHORUS:

Though I wait, my heart will cling  
To the hope my Savior brings

## CHORUS I:

Your hand is at work  
Your word never fails  
Through the storm You are strong  
Every promise prevails  
In the waiting, I believe  
Jesus, You are here with me

## VERSE 2:

Storms may rage and shadows fall  
But Your love outshines them all  
Through the waiting, through the fight  
I will see Your guiding light

## PRE-CHORUS:

Though I wait, my heart will cling  
To the hope my Savior brings

## CHORUS II:

Your hand is at work  
Your word never fails  
Through the storm You are strong  
Every promise prevails  
In the waiting, I believe  
Jesus, You are here with me  
Your faithfulness will never end  
Your mercy's new again and again  
Here in Your presence I find peace  
Jesus, You are here with me

## BRIDGE:

What was broken, You restore  
What was lost is mine once more  
Every chapter, every line  
Sings of mercy, love divine  
What was broken, You restore  
What was lost is mine once more

## CHORUS II:

Your hand is at work  
Your word never fails  
Through the storm You are strong  
Every promise prevails  
In the waiting, I believe  
Jesus, You are here with me  
Your faithfulness will never end  
Your mercy's new again and again  
Here in Your presence I find peace  
Jesus, You are here with me

Jesus, You are here with me
