By: John Gustin

Key of B | 70 bpm | 4/4

INTRO x 2: **G#m E B Bmaj7**

VERSE 1:

**G#m**  
In the rush of a Monday morning  
**E B Bmaj7**  
With a screen lighting up my face  
**G#m**  
You're the calm in the constant scrolling  
**E B Bmaj7**  
You're the truth in the noise I chase  
**G#m**  
I forget that the King of heaven  
**E B Bmaj7**  
Walks the same floor under my feet  
**G#m E**  
Every hallway, every moment  
**B Bmaj7**  
Is a place where You can meet

PRE-CHORUS:

**F# G#m E**  
Open my eyes again  
**F# G#m E**  
Show me the wonder I'm living in

CHORUS:

**B**  
You are holy, holy

Right here right now

**G#m**  
Heaven's closer than I ever dreamed somehow  
**E G#m**  
High and lifted, still You hear me when I call  
**E F# B**  
You are holy right here in it all

VERSE 2:

**G#m**  
In the quiet of a heavy evening  
**E B Bmaj7**  
When the questions won't go away  
**G#m**  
You're still there in the hidden grieving  
**E B Bmaj7**  
You don't rush to fix or change  
**G#m**  
You're the Lord over fear and failure  
**E B Bmaj7**  
Still You sit with me in doubt  
**G#m E**  
Every tear and every silence  
**B**  
Is a place You're meeting me now

PRE-CHORUS:

**F# G#m E**  
Open my eyes again

Show me the wonder I'm living in
